REHAU Attivo™

Designed for tilt-turn, turn and hopper windows and balcony doors. It fulfills the most stringent requirements for design, security, ease of function and durability. Our European system offers a wide range of possibilities, enabling us to meet customers' needs.

- 1 R-cam design**
Ensures high-level security at closing points; additional security components can be integrated to suit the customer's demand
- 2 Full range hinge**
Allows opening to a maximum of 180° (where wall conditions permit), providing maximum egress functionality
- 3 Contemporary color range**
Matching hinge cover caps available in up to eight colors
- 4 Mid to high-end handle options**
Increase design flexibility while matching individual's style
- 5 Branded hardware and handle offering**
Provides a mark of European quality
- 6 High-quality surface protection - Grade 5 of EN1670**
superior corrosion resistance for long-term durability and simple use
- 7 Night vent option**
Allows gentle circulation of air in case of hot weather

Certifications
ISO 9001:2000
ISO/TS 16949
ISO14001
