

Get started with REHAU Connect

A step-by-step guide on receiving
orders from installers

Dear Pavels Manufacturer UK,

You have a new **quotation** request on your REHAU Connect platform. The quotation request was sent to you by Pavels Retailer UK.

[Click here](#) to go directly to the quotation request.

Please check the content of the message as soon as possible.

Many thanks

Your REHAU Connect Team

Step 1:

Receive an email notification

You will automatically receive an email notification from your installer when he has a new job for you to quote for. The email will contain a direct link to the request on REHAU Connect. Never miss a business opportunity again.

The login form for REHAU Connect. It features the REHAU Connect logo at the top. Below the logo, there is a "Log In" link and a "Forgot your password?" link. The form includes fields for "Email Address" and "Password", with a small eye icon to toggle password visibility. There is a "Remember me" checkbox. At the bottom, there is a pink "Log In" button with a hand cursor icon pointing to it.

The REHAU Connect dashboard. At the top, there is a navigation bar with the REHAU Connect logo, "Projects", and "Account" with a dropdown arrow. Below the navigation bar is a large banner image showing a man walking a dog in a modern outdoor setting. The main content area is divided into three columns. The left column lists project entries under three categories: "CANCELLED BY RETAILER", "NOT RESPONDED", and "ORDER CONFIRMED". The middle column is empty. The right column contains a "Filters" section with a search bar and a list of checkboxes for "Project status" including "Quotation request received", "Quotation sent", "Quotation request declined", "Not responded", "Order placed", "Order confirmed", "Order declined", "Quote declined by retailer", and "Cancelled by retailer".

Step 2:

Login to your account

Simple login to your account using your email address. From here, you can conveniently access and manage all your conveniently in one place. You are also notified if you have any outstanding projects open to ensure you don't miss anything.

Step 3:

Click on the new quotation request and open the file

Every new project contains all the necessary information including a quotation deadline, delivery date, address and much more. Click on the configuration file and this shows details for the requested windows and doors from sizes and glazing requirements to colour choice and opening styles. Gone are the days of misinterpreted drawings - make life easier with REHAU Connect.

Profile System: TOTAL 70c Chamfered
Window Type: CASEMENT
Overall Window Size (W x H): 1000mm x 1000mm
Quantity: 3

[Download configuration file](#)

Respond to quotation request

The text file should list the quotation with items and prices in the following format:

Quote information, terms and conditions; Maximum file size: 50.00 MB

Choose file + or drag it here

Step 4:

Send your quote to win the business

In just three clicks you're one step closer to winning a new order. Upload your quotation, your terms and conditions and then click "Send quotation". Your installer will immediately receive a notification to approve your quote.

Dear Pavels Manufacturer UK,

You have a new **order** on your REHAU Connect platform. The order was sent to you by Pavels Retailer UK.

[Click here](#) to go directly to the order.

Please check the content of the message as soon as possible.

Your REHAU Connect Team

Step 5:

Your installer accepts your quote

Congratulations! Your installer is happy with your quote and places the order. You will receive an email notification and you can start fabricating straight away.
