

RAUVOLET VETRO-LINE ROLLER SHUTTER DESIGN IN GLASS

RAUVOLET VETRO-LINE

ROLLERSHUTTER DESIGN IN GLASS

Glass forms an integral part of modern kitchens and bathrooms. The Vetro-line glass roller shutter door from REHAU offers an unique yet functional design feature for any kitchen. It has been designed with a wider 50 mm glass slat

to create a truly flat surface whilst adding clean, but simple lines to a kitchen.

The innovative cassette design ensures consistent smooth running and is easy to install.

Using 50 mm wide slats made of safety glass, the Vetro-Line creates a harmonious and two-dimensional front. The safety glass withstands high loads, does not scratch and has a distinct appeal due to its impressive, translucent

appearance and excellent surface flatness. In addition, the material is low-maintenance and easy to clean. The same applies for the frame profiles in cool aluminium finish, completing the high quality look.

The Vetro-line innovative glass roller shutter system in satinato finish is available in the following industry standard sizes: 600 x 1000 mm, 900 x 1000 mm ex stock.

Sizes 600 x 1500 mm and 900 x 1500 mm are available on request.

NEW! NOW ALSO AVAILABLE IN SATINATO BLACK!

600 x 1000 mm, 900 x 1000 mm ex stock.

Sizes 600 x 1500 mm and 900 x 1500 mm are available on request.

Our verbal and written application engineering advice is based upon experience and the best of our knowledge. However it is to be regarded as non-binding information. Working conditions and use under conditions for which the product was not intended and over which we have no influence exclude any claim resulting from our information. We recommended that a suitable check is made as to whether the REHAU product is suitable for the envisaged purpose. Application, use and processing of the products is carried out beyond the scope of our control and are therefore carried out exclusively at your own responsibility. If liability should still apply, then this is restricted, in the case of all damage, the value of the goods supplied by us and used by you.

Our warranty applies to the consistent quality of our products as per our specification and in accordance with our general terms and conditions of delivery and payment.
