

RAUCORD CREATIVE – LOOM COLLECTION

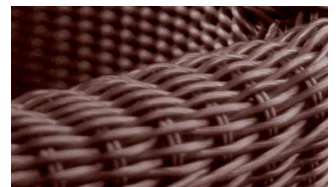

DESIGN WITH A TWIST

INNOVATIVE PATENTED DESIGN

The RAUCORD Loom collection features the **360-degree twisted effect** which makes it a true look-alike to the original paper loom. With RAUCORD Loom, you can have furniture that recreates the **elegance of paper loom** and bears the trademark sturdiness of **high-quality RAUCORD**. All this is made possible with the patented design development from REHAU.

MAINTENANCE FREE – EVEN OUTDOORS

Unlike paper loom, our loom material features the known ‘no-maintenance’ RAUCORD quality. **Non-fading colours** ensure the furniture stays as new even in harsh outdoor conditions without any need for post production treatment.
