The issuers provide the website / software free-of-charge. The publishers do not accept any responsibility that the information is up-to-date, accurate, the calculation formula it is based on, calculation results, completeness or the quality of the information provided. The use does not lead to a conclusion of a contract.

Liability claims made against the publishers or authors relating to damages of a material or non-material nature, which have been caused by the use of the information provided or the use of incorrect or incomplete information, are generally excluded providing it cannot be proven that the publishers and authors are guilty of deliberate or gross negligence. The publishers expressly reserve the right to alter or add to parts of the site or the entire content without a separate notification or to withdraw the publication temporarily or indefinitely. It cannot be construed from the publication that the terms used are free from rights of third parties. If a direct or indirect reference is made to a linked website ("links"), which is outside the publisher's/author's area of responsibility, they may only be liable if they were aware of the contents and it would have been technically possible and reasonable for them to prevent their use in the event of illegal contents. For any further contents and in particular for damages arising from the use or non-use of information provided in this way, the provider of these sites is solely liable and not the provider who only makes reference to the relevant publication via links

This disclaimer is to be regarded as part of the internet offer of this site. If parts or individual formulations of this text do not, no longer or not fully comply with the applicable laws, the content and validity of the remaining parts of the document remain unaffected by this.

Data protection:

All information entered and processed by the user in this website/software are treated as confidential in accordance with the data protection regulations. The data is only used to process enquiries and only passed onto specific third parties by the user as part of the use of this website/software. The data is not passed onto third parties.

Inclusion of the terms of use in orders:

These terms of use also apply for orders, which are placed based on the results of the website/software. The user of this website and/or software agrees to their explicit inclusion.
