# PRO-BALANCE® 1 1/4 in. stainless steel manifold, component guide

**1 Mini thermometer** Art. 250218: displays supply and return water temperature, to monitor and calculate heat input/output.

**2 NPT isolation ball valve set\*** Art. 343626-001: color-coded, accepts mini thermometer (Art. 205218), includes gaskets.

**3 Flow-stop circuit valve** Art. 302047-001: allows for complete shut-off of an individual circuit on the supply header, to assist with purging operations or loop isolation.

**4 Union set** Art. 343627-001: connects two or more manifolds together in series, includes gaskets.

**5 Automatic air vent** Art. 250212: replaces air vent/boiler drain combination (Art. 316257-002) to allow automatic elimination of entrained air in a hydronic system.

**6 Visual flow gauge\*** Art. 343625-001: visual flow gauge for supply header (0 to 4 GPM).

**7 Air vent/boiler drain combination set** Art. 316257-002: fill and purge using male garden hose threaded connection, includes gaskets

**8 Circuit balancing/isolation valve\*** Art. 316254-002: circuit balancing/isolation valve for return header. Replacement part for white protective cap, Art. 321531-100.

**9 Manifold end cap\*** Art. 343631-001: caps off end of manifold while eliminating usual end pieces, includes gasket.

**10 90 degree piece** Art. 343632-001: allows installation of isolation valves at a right angle to the manifold, includes gasket.

**11 R-20 circuit outlet cap** Art. 250209-C: seals unused outlets, includes gasket (Art. 250209-600).

**12 Blind plug** Art. 298186-001: caps outlets on supply header for installations not requiring flow gauges.

**13 Manifold adapter fitting set** Art. 343628-001: to enable use of air vent/boiler drain combination set (Art. 316257-002), includes gaskets

**14 Manifold brackets\*** Art. 26196: galvanized steel manifold bracket.

## Gasket replacement parts

Fiber gaskets: Art. 250203-G for 1 in. connections;  
Art. 281811-001 for 1 1/4 in. connections  
Rubber gaskets: Art. 327714-001 for 1 in. connections;  
Art. 327715-001 for 1 1/4 in. connections

\*included with each PRO-BALANCE 1 1/4 in. manifold
