

Facilities Manager

Ross-on-Wye, Herefordshire

REHAU is the premium worldwide brand for polymer-based innovations and systems in construction, automotive and industry. From furniture to windows to aircraft, you encounter our systems every day, without noticing them. While they may be invisible, their benefits are always around us. More than 20,000 employees at 170 locations worldwide apply their expertise and innovative capabilities to ensure the continuous growth of our independent privately-held company. REHAU is the place to build a career, so why not join our team and contact us today!

Your Role

We are looking for a Facilities Manager to take ownership of facilities management and driving the sustainability initiatives for our REHAU Group locations within the UK and Ireland.

You will be responsible for:

- Overseeing the day to day maintenance of the REHAU group sites and offices, ensuring any issues are resolved promptly;
- Keyholder responsibilities for the Ross on Wye site, responding to and managing urgent out of hours issues and ensuring the site is secure;
- Leading REHAU Groups Sustainability Committee and driving initiatives across all locations;
- Property/project management topics for all locations, ensuring any maintenance works or projects meet time, compliance, cost and quality standards;
- Managing the REHAU Groups facilities budgets.

Your Profile

This role will require you to manage a varied workload, whilst using your own initiative. You will possess the following qualities/experience:

- Previous Facilities Management experience across multiple sites;
- Previous experience of leading and driving environmental sustainability initiatives;
- Excellent written and verbal communication skills;
- Able to work independently;
- Able to communicate at all level, across the business;
- Previous project management experience;
- British Institute of Facilities Management qualified (preferred).
