# REHAU Global

## A global leader in polymer processing technologies

When Helmut Wagner founded the company in 1948 with just 2 employees, he illuminated the way forward with the principles of competence, passion and innovation. Today, REHAU is an independent and family owned company that has over 20,000 employees across 50 countries. In every part of the world, the brand is redefining the interaction between our products and customers by engineering progress that enhances lives.

For the past 70 years, the ambition to enhance the lives of people around the world through innovative polymer-based solutions, along with the lessons from our predecessors, have been the driving force behind REHAU's success. Through our vigorous zeal and relentless efforts, we redefine what is possible in construction, automotive and industry, each day.

Today, insightful knowledge of the market and materials, complemented by tremendous experience in technology and manufacturing processes, allows us to cater to wide-ranging needs with customised solutions. This includes improving road safety, enhancing the aesthetic appeal of homes, reducing energy consumption in buildings, etc. As a family-run business, we think and act with a view to future generations – keeping with the principle of sustainability. By remaining focused on the growing importance of quality, efficiency and sustainability, we will continue our odyssey to make lives safer, healthier and more efficient across the world.

# REHAU India

## India footprints

REHAU commenced operations in India in 1997, by establishing a local manufacturing unit in Pune district of Maharashtra to cater for local industry market. Since then, it has established 3 plants and employed 600+ aspirants across the nation.

A German-based company dedicated to beautify and enrich homes with innovative solutions, REHAU prioritises and delivers superior solutions from product design to applications while providing great variety in terms of choices.

With more than 1000 direct customers and up to 2500 retailers, REHAU has exceeded expectations by establishing an enormous client base in India. With 4 offices and 2 experience centres spread across the country, 6 warehouses and a huge sales network, REHAU in India has become a polymer leader by rapidly capturing the market and managing its operations.

REHAU offers a choice of wide range of products which allows one to live with premium quality, thereby, raising the standard of living. These choices are versatile enough to accommodate new changes and that too with convenience. REHAU ensures that a positive difference is made through quality, innovation and choice.

**Let's live with quality!**

## Engineering progress Enhancing lives

A promise of enhanced living built upon 3 pillars:

### Trust

With synergism in effort, and trust in each member of the REHAU network, we make the impossible happen.

### Innovation

Our strength is derived from innovative ideas that improves the ordinary for extraordinary results and performance.

### Reliability

Our adherence for ethical guidelines is the foundation of our corporate conduct, because our vision is a better today and a great future, making us a reliable partner.

# RAUCARP Edgeband

Affordable. Durable. Fashionable

RAUCARP edgebands is a quality range to protect the furniture from physical damages while enhancing its overall appearance. It can be applied manually on the edges of furniture. Moreover, it is a highly economical choice when it comes to wooden binding and replacement of melamine.

# RAUKANTEX Colour and Décor

Add life to your furniture

## RAUKANTEX Colour

Always the right tone

The desires and requirements of customers are getting progressively personalised. Therefore, professional colour management is required to meet these standards. With RAUKANTEX Colour, you can always strike the right tone.

100% match with leading board and laminate manufacturers

## RAUKANTEX Décor

Unlimited Variety

With RAUKANTEX Décor, there are no limits to your imagination, owing to our wide range: fine woods, multiplex effects, artful design combinations, brilliant stone designs, and trendy metallic prints. RAUKANTEX Colour and Décor can be easily matched to Indian or global surface and board collections. REHAU India offers approximately 395 colours and décors with different embossings, which makes us the leading design competence supplier in the market. With REHAU, you can be sure that we will always offer the right design to match your requirements!

-  uPVC Edgebands
-  Anti-bacterial
-  Anti-fungal
-  DOP free

300 active, continuously available edgeband designs

200 new additions annually

More than 20,00,000 edgeband options

are possible through the combination of materials, dimensions, embossing, gloss level and application methods

# RAUKANTEX Wood Veneer

Mesmerising wooden patterns

Wood has many varieties: walnut, maple, beech, ash, etc., each corresponding to a particular shade. This range in the natural variety of wood is also available in RAUKANTEX Wood Veneer edgebands.

During production, the veneers are sorted according to growth characteristics and appearance, so that within each batch the master rolls produced are of uniform colour. With its wide variety of wood types and thicknesses, the RAUKANTEX Wood Veneer edgeband range can provide a suitable match for every application.

|          |                                    |
|----------|------------------------------------|
| Material | Wood veneer                        |
| Size     | Thickness<br>0.60mm and 1.00mm     |
|          | Width<br>24mm, 35mm, 45mm and 55mm |

### Advantages

- Real wood veneer collection
- European wooden pattern
- Multi-layered with adhesive-coated sides
- Asymmetrical and finger joints

# V-Twin

## Dual tone to edgeband

A particular highlight within the V-Twin is the stepped edgeband with a groove. Whilst the upper section of the edgeband is available in typical glass colours, the lower section features aluminium. When combined with a surface of the same shade, this gives an appearance of a real glass-like top surface.

Available  
in 10  
shades

### Advantages

- Combination of the design aspect of glass with the processing advantages of polymers
- Special surface protection - 100% resistant to typical accidental scratches
- Various combination of colours/décor and two different finishes on surface is possible
- Zero-hour adjustment time - no special adjustment required on machine parameters
- New perspectives in the creative edge design along with RAUVOLVET roller shutter

Material                    ABS                    Size                    23 x 1.00mm  
Lacquer type            Super lacquer

# Metallic

## Create magic with metal

Whether cool aluminum or high-quality stainless steel - metal is every increasing demanding trend in design world. Our unique, proprietary process effectively combines metals and polymers to achieve a true metallic look without the processing difficulties of traditional metal banding. Experience Magic II with real metal foil - the premium metallic edging that can be used in any design.

### Advantages

- Laminated real metal foil
- Aluminum or stainless steel finish applied to the surface of a PP (polypropylene) base
- Look and feel of traditional metal banding
- Easily applied with standard edgeband equipment; straight line or contour edgebander

# RAUVOLET Roller Shutter Systems

Innovative storage solutions

**Flipdoor**  
Flipdoor offers outstanding practicality on every level, from its super-smooth scissor movement to the space-saving opening mechanism.

**RAUVOLET Crystal Line 1.0**  
RAUVOLET Crystal Line 1.0 offers a glass look to your premium cabinet shutters. The tried and tested RAUVOLET cassette system that gives ease of installation and convenient functional characteristics just needs to be screwed into the cabinet.

**RAUVOLET Vetro Line 2.0**  
RAUVOLET Vetro Line 2.0 offers a combination of two solutions- simple installation with a ready-to-install cassette module that can be screwed into the cabinet and the design features of genuine glass.

**RAUVOLET Easy Line**  
Space-saving up to 30% compared to regular swing doors, RAUVOLET Easy Line opens up smoothly and quietly, offering easy and convenient solutions for living spaces.

**RAUVOLET Crystal Line 2.0**  
RAUVOLET Crystal Line 2.0 offers a glass look to your premium cabinet shutters with the tried and tested RAUVOLET cassette system providing ease of installation.

**RAUVOLET E-23**  
Suitable for both vertical as well as horizontal applications, RAUVOLET E-23 is easy to install and saves space by 30% compared to regular swing doors.

Smart  
Efficient  
Durable

**RAUVOLET Metallic Line Frame 4**  
A unique way of bringing two incompatible solutions, RAUVOLET Metallic Line Frame 4 has a ready to install cassette module along with the design features of genuine glass.

# REHAU Masking Tape

Superior quality adhesion

### General purpose masking tape

The robust tape for everyday jobs, REHAU Masking Tape can be used on almost all surfaces and gets removed easily without leaving any residue. It can be used at all workplaces and job sites. REHAU Masking Tape is a cost-effective and pressure-sensitive product that holds perfectly, providing superior quality adhesion for 14 hours.

### Features

- Wide range of applications
- Masking, splicing, bundling and packaging
- Conforms to all surfaces
- No residue transfer on removal

### Sizes available

Width      18mm and 24mm  
Length     20m and 40m

### Possible application areas:

 Furniture

 Hardware

 Paints

 Automotive
