- Pair Device**
Please pair the device by following instructions on APP.

ios

Android

FILTER REPLACEMENT

Filter lifetime indication

When filter lifetime is more than 30 days, filter icon is off.

 When filter lifetime is less than 30 days, filter icon flash in red.

 When filter lifetime is over, filter icon is in red.

If you have paired the air purifier, you can also check filter lifetime status through APP.

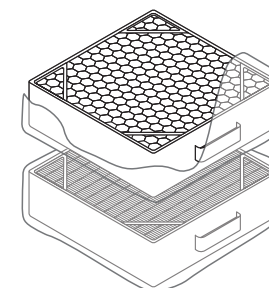

You can use "REHAU Home" APP or go to REHAU JD.com online store to order new filters. You can also scan the QR code on the filter which will direct you to REHAU website to purchase new filters. The APP will notify the user when it's time to change the filter.

Replacing filter

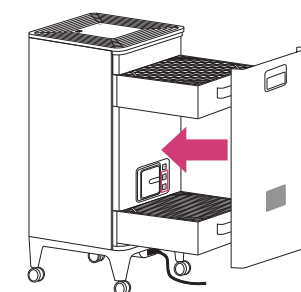

Turn off and unplug the air purifier before moving, cleaning and replacing the filter.

1. Open back door and remove the old filter.

2. Unpack the new filters.

3. Put the activated carbon filter in upper side and put the particle filter in lower side, plug in the power cable, make sure the air purifier is in stay-by mode and press and hold the buttons for longer than 3 seconds until you hear a 'beep' sound, the reset process is complete. Close the back door, restart the air purifier.

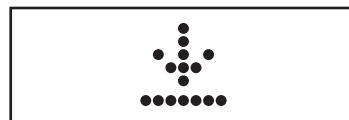

CARE AND MAINTENANCE

Basic rules

- Please read the "Important safety instructions" on page 3 carefully.
- Do not use the air purifier near high temperature and humid areas such as rest rooms.

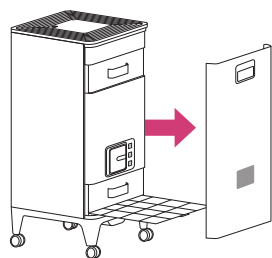

Firmware update

Once a new firmware is available, the device will get updated while connected to the Internet. Display will be shown as the picture. This process will start automatically and may take about one minute to complete. During this time, the air purifier can't be controlled. Do not turn off the air purifier during firmware update.

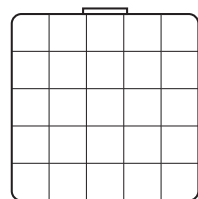

Pre-filter maintenance

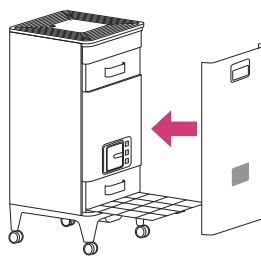

We recommend to clean the pre-filter once every 3 months for optimum performance.

1. Unplug the power cable, open back door and take out the pre-filter.

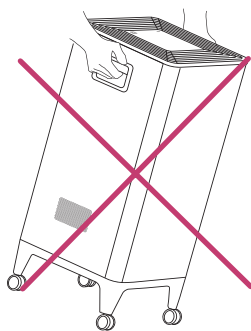

2. Use a brush or vacuum cleaner to clean the pre-filter.

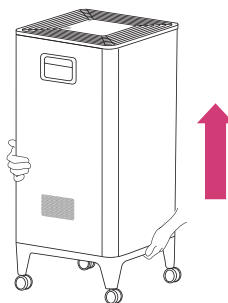

3. Put the pre-filter back in the air purifier, close back door.

Lifting instruction

1. Do not lift the air purifier using the door handle.

2. Lift air purifier from the bottom straight up.

CONSUMER WARRANTY TERMS AND CONDITIONS

Limited warranty

1. [REHAU Polymers (Suzhou) Co., Ltd] ("Rehau") hereby guarantees to the original retail purchaser ("Consumer" or "You") that its [BREATHE 2] Products ("Product") are free from defects in material, design and workmanship under normal use in accordance with the operating instructions and pursuant to the following terms and conditions.
2. The limited warranty period covers **TWO (2) years** for Product from the date of purchase (i.e. the issuing date of invoice or receipt) as documented by valid proof of purchase – e.g. official receipt, original invoice, and certificate of purchase or any similar valid documents indicating clearly the following information: dealer's name/ stamp, date of purchase, product model and serial number. Non-compliance of the required proof of purchase may delay and void the application of the limited warranty.
3. During the limited warranty period, REHAU or its authorized service provider will repair without charging the defective unit inclusive of labor and parts and restore the unit to its optimum working condition. All defective parts used for the warranty repair should be returned to REHAU or to its authorized servicer.
4. Any free repair or replacement in this Limited Warranty **EXCLUDES** filters which are consumables.
5. The Limited Warranty is applicable in mainland China only, excluding Hong Kong, Macao and Taiwan.

Limited warranty conditions

6. Seven (7)-Day Free Return

In the event of defectiveness in Product material, design and workmanship found within seven (7) days from the date of purchase, you may choose to repair the Product or replace the Product with the same model and specification, or return the Product to the Retailer. You are advised to contact our Customer Care Center at [400-828-4066] or email [breathe.customerservice@rehau.com] to check whether the warranty conditions are met before action.

7. Fifteen (15)-Day Free Replacement

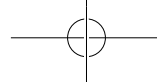

In the event of defectiveness in Product material, design and workmanship found within fifteen (15) days from the date of purchase, you may choose to repair the Product or replace the Product with the same model and Specification.

8. Two (2)-year Free Repair

In the event of defectiveness in Product material, design and workmanship found within two (2) years from the date of purchase, we offer free repair. Please see warranty range for details of which circumstances is not covered by the free maintenance.

9. Free Periodical Software Update

We offer free periodical software update in order to ensure the optimal user experience.

10. This Limited Warranty does not cover:

- Claims for loss of use/inconveniences due to any malfunction, damages caused by lightning, water or other liquid intrusion, fire, flood, accident, computer virus attack, negligence, misuse or improper handling/operation, damages to filters.
- Product that has been damaged due to installation, disassembly, repairs, alteration or modification by non-authorized service or organizations or persons.
- Damage caused by man-made damage, including poor transportation, abnormal operation and usage or that hasn't followed the usage guide of the User Manual.
- Product label specifying the model number, serial number and production code that has been removed and altered.
- Defects or parts requiring replacement due to ordinary wear and tear, corrosion, rust or stains, dents on the casing or paintwork of the product.
- Defects or faults in product which have been used for commercial/industrial purposes or which have been rented/ leased or have been otherwise subject to non-household/non-domestic use.
- Without valid warranty card or the purchasing invoice.
- Free return/replacement/repair period has expired.

11. If the defectiveness has been confirmed by REHAU or its authorized service provider, the freight cost will be paid by REHAU. Otherwise, the cost will be paid by the Customer.
12. REHAU obligations are limited to the repair and replacement of defective product. Except as set forth above, there are no other express or implied warranties and all warranties, conditions or other items implied by statute or common law are excluded to the fullest extent permitted by law.
13. REHAU total liability for damages relating to or arising out of the purchase or use of the Product regardless of the type or cause of such damage of the form of characterization of the claim asserted (e.g. contract or tort) shall not exceed the original purchase price paid for the Product.

However in no event shall REHAU, REHAU's affiliated companies, REHAU's authorized retailers be liable for any punitive, special incidental, indirect or consequential losses or damages whatsoever (including without limitation, damages for lost revenue, business, profits, goodwill or contracts, business interruption, loss of business information or any other pecuniary loss), whether or not REHAU has been advised of the possibility of such damages. These limitations shall apply notwithstanding the failure of the essential purpose of any limited warranty. This limited warranty does not affect the Consumer's statutory rights under law.

No carrier, retailer, agent, dealer or employee thereof is authorised to make modifications to this Limited Warranty and you should not rely on any such representation. REHAU reserves the right to amend the terms and conditions if necessary.
