Alle dunklen Dekore neigen dazu, Kratzer, Staub, Trübung und übliche Abnutzungserscheinungen leichter aufzuweisen als hellere Dekore. Diese Dekore sind daher nicht für den Einsatz in Wohn- und Gewerbeanwendungen geeignet, die einer starken Beanspruchung ausgesetzt sind. /

All dark decors are prone to show scratches, dust, haziness and ordinary wear and tear more easily than lighter textured decors. therefore these decors are not recommended for use in residential and commercial applications that will be subject to heavy use.
