

EVERLOC+® Compression-sleeve tools Service request - Canada

Step 1: Fill in the form (all fields are required). Print two (2) copies of this PDF service request form. Place one in the box along with the tool. Keep one copy for your records.

Step 2: Collect the proof of purchase and include a copy in the box along with the tool to ensure your services are covered under the warranty agreement. Refer to the *REHAU PEXa Limited Warranty* for details.

Step 3: Package the tool for shipment.

Step 4: Ship the tool to the address provided below.
