

Cupboard doors from REHAU Cut & edged for your convenience

REHAU offers a large selection of **ready to install cupboard doors** for modern living spaces. By offering pre-fabricated doors, we are making it easier for kitchen and BIC manufacturers to meet the growing demand for modern design at a competitive price.

RAUVISIO CRYSTAL is a polymer **glass** surface laminated onto a board. The doors are edged with matching REHAU edgeband to ensure consistent colour and quality.

Choose from a wide colour range, available in high-gloss or matt.

Place your order now!

Log onto www.rehau.co.za for the online configurator. Your order will be delivered to you within 10 working days after receipt of your official order. The doors will be cut and edged. Please pod for your hinges. No hardware is included.
