

TECHNICAL BULLETIN TB259

SERVICE SADDLES FOR USE WITH 2 IN. MUNICIPEX PIPE

Product: MUNICIPEX PEXa Water Service Line

Date: 05 August 2019 (supersedes 06 August 2018)

Service saddles allow a quick and easy way to make service connections. MUNICIPEX is compatible with service saddles from a variety of manufacturers.

The following manufacturers have independently tested and approved their saddles for use with 2 in. MUNICIPEX water service line:

- **Romac 306-H Stainless Steel Service Saddle**

Romac Industries, Inc. – Bothell, WA

www.romacindustries.com

- **Ford FS313W Stainless Steel Saddle**

The Ford Meter Box Company, Inc. – Wabash, IN

www.fordmeterbox.com

- **Quick Cam® Hot Tap Saddle**

Total Piping Solutions, Inc. – Olean, NY

www.tps.us

Service saddles are not sold by REHAU. REHAU cannot warrant products it does not sell, even if they are connected to, used with, or associated in some way with a REHAU product. Only products sold by REHAU are included in the REHAU *Sustainable Building Technology PEXa Limited Warranty*, 855.018 available at www.na.rehau.com/warranties

REHAU does not continually monitor or track product changes by third-party manufacturers. Any changes may affect product performance and compatibility with REHAU products, therefore the statements made in this technical bulletin are valid only for product configurations tested by the aforementioned manufacturers. It is ultimately the responsibility of the product specifier and installer to confirm that these products are appropriately applied, installed and tested according to the fitting manufacturer's current installation instructions.
