

RAUVISIO CRYSTAL STONE COLLECTION

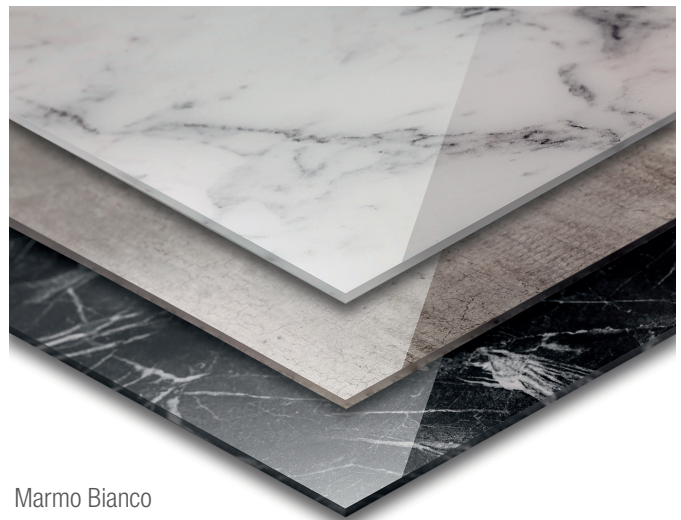

Introducing Exclusive New Colors

Experience the RAUVISIO crystal surface that you know and love in exclusive new stone colors. With the same sleek shine, lightweight feel and technical information, this polymer back-painted acrylic glass is staying on trend with the industry's hottest patterns.

The RAUVISIO crystal Stone Collection is offered as matching components (board and edgeband), 4mm slim or as finished, cut-to-size cabinet doors finished with REHAU LaserEdge.

These patterns are most commonly used as a panels or backsplash applications and cabinet doors in high-end, modern designs.
