REHAU is the place to build a career, so why not join our team and contact us today!

Your role

An exciting opportunity is available for a talented and career minded individual to join REHAU's Commercial Traineeship programme.

Located at our Ross-on-Wye office, the successful candidate will learn all aspects of REHAU's core businesses in preparation to undertake a key commercial role within the business.

As a Commercial Trainee with REHAU, you will work in different product areas and assist with a number of business related projects including the preparation and presentation of financial and sales controls; also collation and co-ordination of data to provide commercial overviews and assessments, with a view to presenting the results along with the appropriate team members. You will also be asked to participate in ad hoc projects to support the various divisions.

Your profile

Preferably educated to degree level or equivalent, the successful candidate may have already gained some initial career experience. An enjoyment of working with figures in readiness for presentation is a central requirement of the role, therefore MS Excel, Powerpoint and Word skills are essential, as well as being a good communicator and working within a team environment.
