#### State-of-the-art design

Our noble matt products offer you attractive solutions that will meet the needs of your customers' most challenging design concepts.

#### Touch without leaving a trace

Your furniture won't just feel great. The soft-touch surface is extremely scratch-resistant and the anti-fingerprint technology ensures that it will not be spoilt by irritating marks.

 **REHAU**

# Beauty lies in the hand of the beholder.

A matt finish is one of the biggest design trends. It impresses with its subtle elegance. Surfaces like these add a special touch of luxury to any interior. The noble matt collection from REHAU makes luxury designs suitable for everyday use like never before. We use innovative technologies to achieve this and draw on our many years of experience as a system provider.

## Everything combined in one

Our noble matt collection combines all the key products from our furniture range in one integrated design concept. The design options that it offers will satisfy even the most exclusive requirements. All of the elements match seamlessly, producing a look of higher quality.

# noble matt

## **RAUVISIO noir™**

The new noir series is the centrepiece of the noble matt range. It features both aesthetic quality and technical strength.

## **RAUVISIO brilliant noble matt**

The expansion of our RAUVISIO brilliant collection means that vertical application of noble matt surfaces is an option even in price-sensitive solutions.

## **RAUVOLET noble matt**

Our RAUVOLET tambour doors allow you to use space efficiently, without compromising on design. The four available colours are the perfect match for the noble matt fronts.

## **RAUKANTEX noble matt edgeband**

The RAUKANTEX pro invisible-joint edgeband in noble matt creates a harmonious overall look, with the surface and edgeband merging seamlessly with each other.

## **RAWALON noble matt wall seal profile**

Choose RAUWALON for a clean connection between worktops and walls, without any limitations in terms of the noble matt finish.
