More than 20,000 employees at 170 locations worldwide apply their expertise and innovative capabilities to ensure the continuous growth of our independent privately-held company. REHAU is the place to build a career, so why not join our team and contact us today!

Your role

We are currently recruiting a Trainee Toolmaker to join our team in Blaenau Ffestiniog. Your duties will include:

- Reporting to the Tool Room Manager, this Trainee Role is initially a 2 year fixed term contract, with study support provided for NVQ Level 3 or 4 (or equivalent) in Mechanical Engineering within the Tool Room Department, providing Tool Maintenance and Optimisation of Extrusion Tooling
- You should be willing to spend some time at other Company locations when required
- The role is full time Monday to Friday 37.5 hours per week
- Studying on Day Release dependent on prior qualifications
- Undertaking project work in line with your studies

Your profile

The ideal candidate will have:

- Preferably already working towards your NVQ level 3 (or equivalent) within Engineering
- Minimum of 3 GCSE qualifications including Mathematics, Language and Science at grades A-C.
- Excellent verbal and written communication
- ment skills and multi-tasking abilities
- Proficient in Microsoft Office suite, with willingness to learn new software and systems including CAD
- Self-motivated
- Team player
- Clean drivers licence or working towards passing their test with other transport available until licence obtained

Interested.
