Elegance meets functionality

Discover timeless noble matt design ideas for
your storage space – RAUVOLET noble matt.

www.rehau.com/rauvolet

Timeless designs and surfaces with a great feel are combined in noble matt. When tambour doors and fronts become one, the result is a touch of beauty.

Make optimal use of available space while also enjoying the highest standards of design with RAUVOLET noble matt.

Elegance meets functionality

Pure elegance for furniture with a monolithic design – without unwanted changes of colour or material.

Don't limit yourself. RAUVOLET noble matt makes a true design statement, with the tambour doors coordinating perfectly with our noble matt RAUVISIO noir and RAUVISIO brilliant noble matt fronts.

Specialists worldwide agree, awarding the collection with various prestigious design prizes.

Perfectly coordinated design

Product advantages

Beauty that you can feel. RAUVOLET noble matt not only impresses with its matt appearance, even at low angles, but its anti-fingerprint surfaces and soft touch finish also make it ideal for daily use. Of course, it always offers the customary REHAU quality and smooth operation.

The art of storage

Storage solutions to suit every taste, without compromising on functionality – that’s the aim of our ‘The art of storage’ collection. Whether it’s noble matt, glass-effect or metal tambour doors or a FLIPDOOR system – you can decide which cabinet is right for you. Matching surfaces and edgebands complete the look.

A matt look from every angle
